Westleton Village Hall - Update on Building Projects

*To all people who live in Westleton and all people who use Westleton Village Hall
From Westleton Village Hall Committee
09/02/2009*

Accessible Lavatory

We now have all the funding in place for this project.

The National Lottery have given us £10,000 from the Awards for All programme.

The Suffolk Environmental Trust have given £11,397 via the Landfill Tax Credit scheme.

The Westleton Barrel Fair have donated £1,500 and

The Westleton Women's Institute have paid the 10% third party funding required to secure the Landfill Tax Credit grant.

This will cover the cost of this project. If there is any shortfall we can meet that from our existing funds.

We are very grateful for all the financial support we have received, especially from our local friends in the Women's Institute and Barrel Fair.

Over the next few weeks we will be getting in touch with the contractors who have quoted for this work to allocate the contract and work out a timetable for the work.

There will be some considerable inconvenience during the building programme so we will get back to you when we know when the work is to be done.

Heating and Insulation

None of our bids for financial support for this project have, so far, been successful. We are still waiting for a response from some of our applications and we will be submitting a few more over the next few weeks.
