Westleton Village Hall - Update on Building Projects

To all people who live in Westleton and all people who use Westleton Village Hall

Heating and Insulation

Suffolk Coastal District Council have offered us £5,000 towards this project. You will remember from our last report that we received a grant of £3,000 from the Simon Gibson Charitable Trust for Historic Buildings.

There are a few conditions attached to the Suffolk Coastal grant which need some clarification. When we have that clarification we should be able to proceed with the installation of some of the SlimLite double glazed units.
