The principal alterations since the September 2010 (pink) edition are
(i) the withdrawal of evening services after 19.00 on the 87/88 Ipswich- Claydon- Stowmarket service.
(ii) A reduced number of journeys on the Sunday 87 service.
(iii) a revision of weekday timings on the 113/114 Ipswich – Barham - Diss service from 4th April 2011. Please note that this service no longer follows a regular interval pattern.

The delay in publishing this summary of bus times is due to efforts by Claydon Parish Council in trying to have at least some evening services restored. Neither the bus companies nor the County Council are willing to do this. However Galloway must be commended for providing a reduced Sunday 87 service without subsidy.

To Ipswich - times from Claydon Crown layby.
