

Dear All ,

Due to the closure of the Bramford and Brome Household Waste Sites, there may be a potential problem with increased fly tipping in the districts. I would like you to let your parishioners know of the protocol on informing the council about fly tipping. This will help with a more effective and efficient response.

1. Identify where the fly tip is.
Parish, road/ditch, between any useful landmarks,
e.g. 'Gateway by the oak tree under the pylon line on Road XYZ.'
2. Type and size of the rubbish.
e.g. 3 Black bags, Household rubbish, or Pile of garden waste.
3. When first noticed.
4. Daytime phone contact, in case tip cannot be located.
5. If possible, a photo for prosecution evidence - on a mobile phone would do - as a back-up for our officers.

And please contact the Mid Suffolk Environment Enforcement Officer David Abbott, on 01449 724941 or by e-mail david.abbott@midsuffolk.gov.uk.

Or contact the Council on 01449 724500

Mid Suffolk is one of the cleanest district in the country, and I want it to continue to be, with your help as our eyes in the countryside.

Councillor Roy Barker Portfolio for the Environment.
