

**What's Deadly,
lasts 1000 years,
and you handle it
everyday?**

The Plastic bag! In the UK we throw away 17 Billion a year. 200 Million bags litter our seas, beaches, streets and parks. More than **100,000** whales, dolphins, seals and turtles **die every year** from swallowing plastic bags. What can we do? We can start **today** using re-usable bags and make our environment a safer, cleaner and healthier place.

From March 17th you can get your free organic cotton bag from these local shops:

*Park Street Stores & Post Office, Stoke by Nayland
Assington Farm Shop, Assington
Polstead Community Shop, Polstead
Lower Dairy Farm, Little Horkesley
Scotland Place Farm, Stoke by Nayland.*

If you would like to learn more about this or our other campaigns, come to the **Village Green Teams AGM** at **Polstead village hall** on Saturday, **March 15th** at 7pm, or contact: **Helen Chen** on **01206 262459**.

This campaign is funded by Dedham Vale and Stour Valley Project Sustainability Fund.
