Proposal: Installation of a 6 2G/3G sectored antennas in place of existing 6.

09/27. To discuss planning applications received by 1<sup>st</sup> June 2009.

Application No. C09/0654

Location: Lane End, Dunwich Road, Blythburgh

Proposal: Erection of detached one and a half storey dwelling and garage

The above application was discussed and although the Parish Council had no objection there were a number of areas of concern; The Boundary is not thought to be accurate; The public notice states that the proposal 'may affect a public right of way' and the Council wishes to know exactly what the statement means; The Council wishes to see a hedge composed of native species with good wildlife potential maintained for the whole length of the boundary of Lane End with Lodge Lane; The Council noted that the only private property owner consulted was the immediate neighbour at 'Blythwater' and believes that at least three others should have been consulted. Proposal – Clerk to contact SCDC saying no objection but raise concerns.

**Agreed**
