Healthier lives for all	
Young people	

Suffolk Coastal Local Strategic Partnership
Climate change and the environment action plan for FY 2011-12

COMMUNITY STRATEGY KEY OUTCOMES:				
Reducing energy wastage and cutting carbon emissions				
Preparing for changes in the climate				
OUTCOME MEASURE:	ACTION:	BY WHO: [LEAD & PARTNERS]	BY WHEN:	RESOURCES
Best practice case studies made available on website and shared at events	Share the case studies developed as a result of the LSP survey	SCDC, SCCP,	By end 2011	No additional resource needs
Number of businesses in LSP making financial and carbon savings	Provide ongoing support to the Environmental Business Advise service for small/medium sized organisations and businesses who are part of the LSP	SCDC, Groundwork East of England, The Economy and Skills Group, SCCP	By July 2012	Match funding sought to enable two days to be extended to three days a week. Would be ideal to obtain sufficient resource to extend additional provision on top of Countywide delivery into Waveney
6 additional communities having made a plan which will reduce reliance on fossil fuels, cut carbon, and increase resilience.	To give talks and engage individuals and communities in renewable technologies, energy/water efficiency, carbon footprinting, climate adaptation, community group dynamics and resilience planning,	SCDC, Groundwork East of England, The Environment Agency, Suffolk Coast and Heaths, SAVO, SCRIN	By July 2012	No additional resource needs
Number of talks held, participants present and positive feedback.	To give talks and engage individuals and communities in renewable technologies, energy/water efficiency, carbon footprinting and climate adaptation			No additional resource needs

Number attending events and signed up to deliver action and positive feedback on usefulness of events.	To source funding for, develop and deliver 5 community training/action events			Additional funding sought to cover these 5 events £3964 Would be ideal to obtain sufficient resource to extend additional provision on top of Countywide delivery into Waveney
	Local authorities and partners to engage communities through existing forums, such as the Greenprint Forum, to identify/clarify current and ongoing support needs within communities to enable them (with others) to plan effective adaptation, increase resilience, support and enhance wildlife, and reduce use of natural resources.	SCDC, Strong Supportive Communities working group, Environment Agency		No additional resource needs identified at this stage.
	To develop new approaches and proactively engage and support shared learning on community action through forums and events organised on behalf of the Greenprint Forum	SCDC, BT		No additional resource needs identified at this stage

COMMUNITY STRATEGY KEY OUTCOME:				
Safeguard, enhance and manage the distinctive high quality landscape and biodiversity of the district				
OUTCOME MEASURE:	ACTION:	BY WHO: [LEAD & PARTNERS]	BY WHEN:	RESOURCES
Future Landscapes initiative: Stage 1: Develop an evidence base by developing research modules and analysing published material on climate change and its likely impacts on agricultural systems and how these	Develop scenarios about the future agricultural landscape in the AONB-cropping, water availability, bioenergy production, etc, as effected by changes in climate.	AONB, NFU, Otley College	Stage 1 complete Stage 2 by end march 2012	Resources of complete stage 2 secured/

<p>impacts might manifest themselves within the Suffolk Coast and Heaths AONB.</p> <p>Stage 2: Work with the farming, and associated communities, develop an understanding of the need to mitigate and adapt to climate change.</p>	<p>Scope likely changes to EU and English agricultural policies as politicians seek to mitigate and adapt to change, and how these might impact on farm businesses. Make recommendations for AONB management plan activity and future reviews of the Rural Development Programme England (RDPE) agri-environment scheme options</p> <p>A programme of 5 community workshops</p> <p>1:1 farm advice for 20 farmers</p>			
---	---	--	--	--
