differences to community issues and quality of young peoples lives.	place.				<p>Links have been consolidated with the Partnership Development Managers based within the school sport partnerships, and Extended Hours Officers across the district to link in with their activities. This ensured that a comprehensive and varied programme was on offer throughout school holidays, without all activity being in the same place at the same time.</p> <p>Further steps are being taken to consolidate what has been achieved during 2011 / 2012 to ensure that as many partners as possible as linking in to provide a diverse and varied programme of activity for young people.</p>

Sustainable Community Strategy Outcome Better access to transport supporting wider engagement of young people leading to enhanced confidence, skills and career prospects locally					
OUTCOME MEASURE:	ACTION:	BY WHO [LEAD & PARTNERS]:	BY WHEN :	INDICATOR	DETAILS:
Introduction of transport pilot that supplements bus company services through out of hours/weekend provision. Generally effective service provided. Pilot enables targeted young people in parishes to access and benefit from Leisure/Sport Programme (Outcome 1 above) and entrepreneurial/employability activity (Outcome 3 below).	Introduce small targeted transport pilot.	SCC – Planning & Transportation	2010		<p>GOING SOMEWHERE BROKERAGE</p> <p>1. Registered Organisations – Total 3</p> <p>1.1 Framlingham Youth Club 1.2 1379 Squadron, Air Training Corps (Leiston) 1.3 <i>Leiston Middle School</i></p> <p>2. Registered Vehicles – Total 6</p> <p>2.1 Framlingham Youth Club bus 2.2 SCC x 3 (operated by CATS) 2.3 CATS x 2</p> <p>3. Registered Drivers (other than CATS) – Total 6</p>

<p>Effective system of supplementary transport in place for targeted parishes/market towns. System of local volunteering working well. Transport system well used by young people. Regular feedback to parish from YPWG reinforces belief that they are providing a much needed valuable service to their young people.</p>	<p>Expanded transport system in place across a greater number of parishes.</p>	<p>SCC – Planning & Transportation</p>	<p>2011</p>		<p>3.1 Framlingham Youth Club x 1 3.2 1379 Sqn ATC x 2 3.3 Leiston Swimming Club x 1 3.4 Marlesford Massive YC x 1 3.5 <i>Leiston Middle School</i> x 1</p> <p>4. Bookings – Total 2</p> <p>4.1 Leiston Swimming Club to Bradwell for competition 4.2 Leiston Middle School to Thomas Mills HS for rugby match (CATS providing volunteer driver pending approval of LMS driver)</p> <p>GOING SOMEWHERE DRT</p> <p>5. This was planned for Friday and Saturday evenings from 7pm to 11 pm. Unfortunately all attempts to recruit a driver (or 2 drivers) have been unsuccessful to date. Currently employed applicants are unwilling to commit every weekend. Unemployed applicants are reluctant to risk disruption to their benefit claims for an interim service or to accept a post which might preclude them from a more permanent full time offer.</p> <p>6. This service has not been advertised and no requests have been received.</p>
