## Westleton Village Hall - Update on Building Projects

To all people who live in Westleton and all people who use Westleton Village Hall  
From Westleton Village Hall Committee  
22/04/2009

### Accessible Lavatory

Work on this project has now started. Completion is expected on or about 5<sup>th</sup> June. The following notice is displayed on the doors to the hall.

#### **TO ALL USERS OF WESTLETON VILLAGE HALL**

**We apologise for the disruption in the hall during the building of our much needed and overdue wheelchair accessible lavatory.**

**The "Gents" lavatory will be available for use by everyone from Monday 20 April till Sunday 26 April.**

**From Thursday 23 April a portable lavatory will be available in the car park. This will be for use by all users of the hall. Please keep this lavatory locked so it can only be used by people using the hall. The key to the padlock is with the keys kept in the village shop.**

**During this period access to the hall will be by the front door. The key to the front door is also with the keys kept in the village shop.**

**We are very sorry for this inconvenience, but this work is important and necessary.**

**Thank you for your patience.**

**John Bebbington**

### Heating and Insulation

We have received a generous grant of £3,000 from the Garfield Weston Foundation. This was sufficient to cover the cost of insulating the water pipes above the suspended ceiling and installing insulation on top of the ceiling panels. This work has now been done\*. Unfortunately we did damage part of the ceiling. Great Yarmouth Ceilings Ltd will be repairing this damage on Thursday 30<sup>th</sup> April 2009. We will try and recover some of the cost from our insurers.

\* You may be interested in knowing who did this work. You need to thank, Morgan Caines, Brian Boulanger, Antony Clough, Alison Paul, Roy Swindell, John Bebbington.
