

Winter Weather Worship

Last Christmas and the year before it became necessary to close Polstead Church for safety reasons due to bad weather, and to relocate services to the Village Hall. In the nature of things, this was a last minute decision and not everyone knew what was happening.

We hope this will not be necessary again but, in case it is, the following procedures will be followed. If any decision is made to alter the venue of services, the information will be displayed on the Polstead parish website

(www.onesuffolk.co.uk/polsteadpc or just Google: Polstead);

at the same time, all members of the PCC will be informed by email and notices will be posted as soon as possible on the foot of the drive to the church and at the Village Hall.

If the weather is bad, and you wish to check where a service is being held, you can do so by consulting the web site or by ringing one of the us, or any member of the PCC.
