Mystery helpers

Thank you neighbours for clearing up the old fruit tree that fell during the very high winds. I hope it burns well in your house. It was a great shame to lose the tree but hopefully all the new fruit trees that have been planted will make up for it!

Some of you are so responsible that you even clear up other owner's dog's poo. That's what I call dedication! What a shame though that all dog owners do not have the same sense of responsibility—the green is so well used by the village children now that it has to be ALL DOG OWNERS' responsibility to clear the dog waste up—there are after all bins provided.

SPONSORED NESTING BOXES

Charlotte & Laura
Butcher have
positioned their
bird nesting box on
KETTLEBURGH
VILLAGE GREEN

They sponsored
the box out of their
pocket money and

are looking forward to watching the progress of the birds nesting in their box—well worth £5.

“Your” nesting box will have your name on it and we will be displaying a map showing the position of each of the ten new boxes.

If you would like to sponsor a nesting box on the green please phone Robert on 01728 621053

COFFEE MORNING IN THE VILLAGE HALL

The Trust hopes to start a coffee morning in the village hall and the Parish Council, Parochial Church Council and Village Hall Committee have been asked if they would like to help. I am currently waiting for them to get back to me with their decision.

Meanwhile, the Trust will plan ahead to run a coffee morning on the first Friday of every month from 10—12.

I am sure you will all agree that this is a great idea to get people together, catch up with any issues that affect us all or bring forward any new ideas.

You may want to display your own produce to sell, or books could be exchanged for a nominal fee, you may simply have an interesting hobby that you would like to share with others.

Donations will be accepted for the coffee/tea & biscuits and any profits that might be made will be spent on the whole community, perhaps an annual event—suggestions welcome.

After it has been running for a while we will welcome comments on how to improve it in any way.

The VILLAGE BREAKFAST

held on 28th January 2007 was a great success with over 40 people there during the morning. The food was excellent and so was the company. Helen Kay was able to keep cooking whilst others served and cleared. It is hoped to organise more of these but any more offers of help to support Helen would be appreciated. 01728 723900

LINKING TOGETHER

Due to the close links between the Parish Council, as owner of the Village Green, and the Trust, as the keeper and guardian of it, the Trust has decided to have a Liaison Officer, currently Trevor Jessop to act as a two way conduit between the Council and the Trust. Progress statements are presented during the open session of each Parish Council meeting after which there is an opportunity for Parish Councillors to ask questions or offer suggestions.

WELCOME

Now that we have many new residents moving into Kettleburgh it is hoped that you will all be keen to get involved and come to some of the events. It is a great opportunity to meet others and find out what goes on and who does what.

We need you to be part of what goes on in our village!!
