¿A Jazz Club in Westleton?

I quote, with a bit of editing, from an email from Brian Farrington of the Omega Jazzmen;

“Hi John,
Thanks for the nice comments - yes, it was a splendid session. Following Tuesday, I have been mulling over in my mind an idea which you may well think crazy. There is no regular Jazz Club as such within the North Suffolk area and I was wondering as to the feasibility of starting one at Westleton Village Hall on a monthly basis. The age group of those attending on Tuesday was ideal. Please let me know your feelings about such projects.
Best wishes,
Brian.”

Does Westleton want a monthly jazz club? Who would organise it? The Village Hall Committee? Some other local person? Brian Farrington himself or the local jazz fraternity? Would there be enough local support?

I will raise this suggestion at the next village hall committee meeting on 24 September. Speaking purely for myself, and not the VHC, I am not the best person to organise this - I am not a jazz enthusiast and know little about it. And I feel a bit overworked and underpaid sometimes, anyway. So I will not take a leading roll in this if it happens. But I will coordinate opinion.

I have circulated this note to Doug for the website, VHC members, Rick and Jennie at the White Horse, Matt at the Crown, Sheena for the Parish Survey, a few randomly selected Westleton people and it's on the hall notice boards.

Let me know what you think by email to;
