Westleton Village Hall - Update on Building Projects

To all people who live in Westleton and all people who use Westleton Village Hall
From Westleton Village Hall Committee
19/11/2008

Suffolk Coastal has given Building Regulations approval for the wheelchair accessible lavatory subject to the comments of the local fire service, which are still awaited. The plans have been changed slightly from the ones you have seen. These changes were required to provide additional information and do not represent significant alterations.

We haven't had any success yet with our funding applications.

Suffolk Environmental Trust will consider our application for funding very soon.

Energy Solutions on behalf of NDA/Magnox South, and British Energy have both turned down our application for funding.

Energy Solutions have suggested an alternative funding source through their Socio-Economic Scheme. We have submitted an application to them.

The Garfield Weston Foundation has said they will consider us for "a small grant when you are further advanced with your fundraising or have exhausted local sources."

We have also been advised that the Norman Scarf Charitable Foundation is a useful source of funds for Suffolk projects. We have applied to them.

Other applications have been sent to;

Suffolk Foundation, Adnam's Charity, Eon Source Fund, Simon Gibson Charitable Trust.

Morgan got some useful information from CAfE (Community Action for Energy). They have given us a list of potential sources of funding. We had already approached some of those agencies. Other sources they suggest are;

B&Q, Comic Relief, O2 Community Fund. We need to see if these organisations can offer the help we need.

Age Concern has also been suggested. We have not yet contacted them.

It is now over two years since we got funding from the National Lottery to deal with the damp problem in the committee room. We have applied to the Awards for All programme. We may be able to apply to the Big Lottery Fund as well but we need to check if we can apply to two lottery funds at the same time.
